

## **ABSORBENT**

## **Vehicle Emergency Spill Kit**

(Absorbs up to 12 gallons/45 liters)

Absorbent W #55001 / Absorbent GP Kit # 35001

The Vehicle Emergency Spill Kit is designed for that quick response while on the move. It is compact and lightweight, easily hand carried and small enough for easy stowage. Packaged in a clear polyethylene bag with carrying handle, this kit is ideal for use with 1) commercial vehicles, 2) cranes, 3) loaders, 4) backhoes, 5) mobile equipment, 6) recreational vehicles, 7) trailers, and 8) boats. The Vehicle Emergency Spill Kit is available in either Absorbent W or Absorbent GP.
